Call for nomination of candidates to the FSC Board of Directors

FSC calls for nomination of candidates to fill the following seats on the FSC Board of Directors:

Northern Economic
Northern Economic
Southern Economic

Candidates are requested to forward their nominations to the FSC Secretariat by **May 31, 2012.**
Any individual FSC member or designated representative of a member organization of the FSC may be nominated. All nominations shall include the:

- name of the candidate,
- organization represented by the candidate (if applicable),
- name and signature of the FSC member nominating the candidate, and
- name and signature of the two FSC members seconding the nomination.

Potential candidates may contact the Secretariat, or current members of the FSC Board of Directors for more information.

The FSC Board of Directors must have a balance between social, environmental and economic interests and its members should demonstrate this through experience, reputation and affiliation. The members of the FSC Board of Directors represent not only their respective interest group but the FSC as a whole. Therefore, candidates should preferably be well known and recognized for commitment to FSC within their sector as well as the other sectors. FSC members are also asked to bear in mind the importance of gender balance and broad geographical coverage on the FSC Board of Directors.

Candidates will be requested to prepare a brief statement about themselves, their work, and their intentions in standing for election to the FSC Board. These statements will be circulated to FSC members together with the ballot papers. Candidates will be required to complete a full 'declaration of interests', in line with the current FSC by-law and policy on ‘Conflict of Interest’.

Every effort will be made to obtain at least two candidates for each position. The FSC Board of Directors will verify the eligibility of candidates and prepare the ballot in line with the statutory provisions listed below.

FSC Statutory requirements:

- Candidates must either be individual members of the FSC or duly designated representatives of member organizations (FSC By-Laws, paragraph 50).
- Members that are organizations may designate as a candidate an individual other than their current FSC representative. If elected to the FSC Board, the candidate at that point automatically becomes the FSC representative of the organization (FSC Election By-Law, 2000).
- All candidates must be nominated by an FSC member. Candidates may be self-nominated (FSC Election By-Law, 2000).
- Nominations must be seconded by two FSC members (FSC By-Laws, paragraph 58 and Election By-Law, 2000).
- Board members may stand for two consecutive terms (FSC By-Laws, paragraph 54).
- Representatives of certification bodies and industry associations may not be represented on the Board. (FSC By-Laws, paragraph 50).

In addition to the statutory requirements, it is recommended that nominated candidates should:

- have experience in the issues and areas of action of FSC;
- have achieved a high level of respect and influence within the sector and region to be represented;
- be knowledgeable about the forest situation in their region including; political aspects, international instruments and initiatives related to the conservation and management of forests, and with respect to the social sectors (public, indigenous groups, workers, communities and small operations and other major groups);
- have expertise that complements existing experience on the FSC Board of Directors, in addition to their environmental, social or economic expertise.
- have experience working on an international board.
- be fluent in English and/or Spanish.
